Year 3/4

Curriculum Information

Autumn Term 2016

Miss Parker, Mr Norcross, Mrs Karamucki, Mrs
Allsopp, Mrs Baxter & Mrs Broad

Hello and welcome back, we hope you have all had a lovely summer.

We are looking forward to a great year and have lots of interesting activities planned for the children. Hopefully this letter will answer some of the questions you may have. We have included the topics for study this Autumn term. Please feel free to catch us or drop in after school for help or ideas on how to support your child at home. We like to work with you as a team to support and develop the children to reach their best potential.

PE kits should remain in school during term time, if kit is taken home for an after-school sports activity, please send it back in the following day. Please ensure all children have trainers in school for outdoor sports. Our PE days are scheduled, but other opportunities (& sometimes the weather) mean we may indeed do PE on other days occasionally.

Swimming Kits: children in Year 3/4 will swim this year, commencing Wednesday 14th September. A separate letter will be sent home regarding this, this needs to be returned ASAP.

Homework will generally be handed out each **Friday** and should be handed in by the following **Friday**.

This will consist of **Spellings** and **Times tables** each week. **English** and **Maths** homework will sometimes be set to help secure work we have done in class. On occasion we may give topic related homework as well as or instead of the normal homework.

Please remember to inform us immediately of any changes in personal details e.g. telephone numbers, address and medical information (with a doctors note for allergies).

Kind regards,
The Year 3/4 team

ENGLISH: Our significant author for Year 3 is Roald Dahl
