Recap of everyday language

Food

MUSIC:

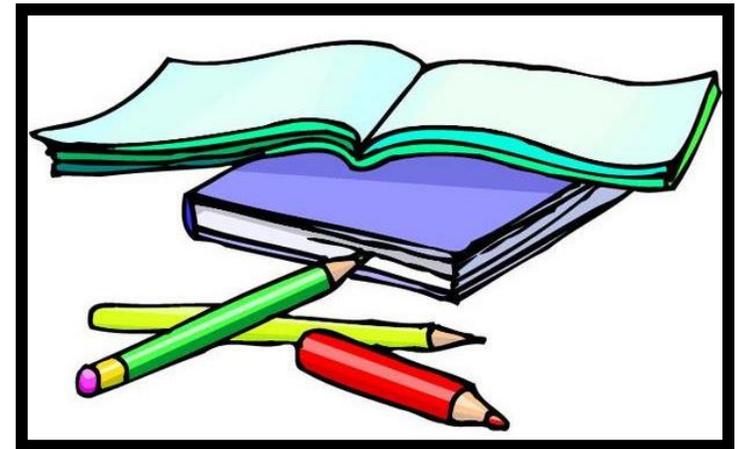

Exploring sound sources.

Orchestra will continue on a Thursday afternoon.

P.S.H.C.E

New beginnings.

Getting on and falling out.

Year 5

Curriculum Information

Autumn Term 2016

Miss Taylor, Mrs Walters, Mrs Abell.

Hello and welcome back, we hope you have all had a lovely break.

We are looking forward to the first and have lots of interesting activities planned for the children.

We have included the topics for study this Autumn term. Please feel free to catch us or drop in after school for help with any of our methods used to teach these concepts, for further ideas on how to support your child at home or with any questions or concerns you may have. We like to work with you as a team to support and develop the children to their best potential.

PE kits should remain in school during term time, if kit is taken home for an after-school sports activity, please send it back in the following day. Please ensure all children have trainers in school for outdoor sports. Our PE days are scheduled, but other opportunities (& sometimes the weather) mean we may indeed do PE on other days occasionally.

Homework will be handed out each **Friday** and handed in by the following **Friday**. This will consist of **Spellings** and **Times tables** each week. **English** and **Maths** homework will be set to help secure work we have done in class, however individual work may be sent home if not completed in class.

On occasion we may give topic related homework as well as or instead of the normal homework.

Please remember to inform us immediately of any changes in personal details e.g. telephone numbers, address and medical information (with a doctors note for allergies).

Our first exciting opportunity to enhance our English work is a visit to Repton Independent School on **Tuesday 13th September** (next week) to celebrate the work of Roald Dahl. The children will leave school at 1:00 and will **need collecting from their 400 hall at 4:30**. Please ensure any costumes are appropriate for the walk.

Thank you for your support,
Kind regards,
The Year 5 team.

ENGLISH:

Recounts
Poems

MATHS:

Place value
Four operations
Securing number facts

SCIENCE:

Earth, Sun and Moon
Properties and changes of materials

GEOGRAPHY:

Land, Water and Air
