Exploring rhythm and pulse

Exploring rounds and performing

Improvise and compose music

Orchestra will continue on a Thursday afternoon.

**P.S.H.C.E**

Going for Goals

Living in the wider world

# Year 5

## Curriculum Information

Spring Term 2017

Miss Taylor, Mrs Walters, Mrs Abell.

Hello and welcome back, we hope you have all had a great Christmas and New Year!

We have included the topics for study this Spring term. Please feel free to catch us or drop in after school for help with any of our methods used to teach these concepts, for further ideas on how to support your child at home or with any questions or concerns you may have. We like to work with you as a team to support and develop the children to their best potential.

PE kits should remain in school during term time, if kit is taken home for an after-school sports activity, please send it back in the following day. Please ensure all children have trainers in school for outdoor sports. Our PE days are scheduled, but other opportunities (& sometimes the weather) mean we may indeed do PE on other days occasionally.

Homework will be handed out each **Friday** and handed in by the following **Friday**. This will consist of **Spellings** and **Times tables** each week. **English** and **Maths** homework will be set to help secure work we have done in class, however individual work may be sent home if not completed in class.

On occasion we may give topic related homework as well as or instead of the normal homework.

Please remember to inform us immediately of any changes in personal details e.g. telephone numbers, address and medical information (with a doctor's note for allergies).

We are in the process of organising the residential trip for year 5 and will be sending out information regarding this soon.

Thank you for your support,  
Kind regards,  
The Year 5 team.

### **ENGLISH:**

Explanation texts  
Persuasive texts  
Narrative  
Poetry

### **MATHS:**

Statistics  
Fractions  
Decimals  
Percentages
